SUBJECT: Personnel Requested for CPC Overt and Semi-Covert Divisions
Training Branch

1. Assumptions. (a) The attached T/C and description of duties of personnel requested is based on the assumption that CPC will establish the following courses:

(1) Basic Operations Course, three weeks in length, twelve courses a year, forty students in each course.

(2) Advanced Operations Course, four weeks in length, ten courses a year, thirty-six students in each course.

(3) Administrative Training Course, two to three weeks twelve to fifteen courses a year, twenty students in each.

(b) The cycle through which a student will go is assumed to be three weeks of basic training, after which the best-qualified of the students will enter advanced training of four weeks, while others may require administrative training of one to three weeks. Some students may require three weeks basic, one to three weeks administrative, four weeks advanced training, so that the maximum would be two to three months, allowing for time lapses in entering courses.
